SOWING & REAPING > GOD'S ORDER FOR THE WORLD.

IN CREATION, THE WORLD RECEIVED, THE CENTRAL MECHANISM, THE SOWING AND REAPING THAT WE CAN LIVE HERE.
I KNOW ABOUT IT, THE DEVIL ROBBED, BUT NOW IT'S TIME TO GET IT BACK.

SOWING AND REAPING

SOWING AND REAPING, FAMILIAR, UNKNOWN

This, our dear Finnish society, as well as the whole world, do not live according to the laws of sowing and reaping and inseparably linked to them, the sameness of seed and harvest, as revealed to us by the Bible, respecting them and living according to them.

The world lives, completely, only with "cutting", which does not give a proper understanding of the real functioning of the world. This matter is the will of Satan, our enemy, for societies to do wrong, for people to end up in hell.

Be that as it may, Finnish society does not work well and in many places, e.g. its actions do violence in different ways, on a larger and smaller scale, even to completely innocent people.

If we were to ask people who believe in God, do they know and understand the matter of sowing and reaping and the similarity of seed and harvest connected with them, and do they live according to them in their lives, many would surely answer that they know the matter and live according to them.

However, the Finnish society in our midst tells us that the believers do not understand and live according to the laws of sowing & reaping, as well as the similarity of seed and harvest, which the Bible tells us, and therefore do not understand the matter. If the believers understood this, our society would not be in the miserable state it is in now with Finnish society.

God wants a change in the matter, when the people of Finland, by God's sovereign action, turn to serve the Living God alone.

The heart of the Finnish people is broken, because of Satan's lies.

GENESIS 8:22.

Already in the first pages of the Bible, after the flood, important things that remain on the earth are told, and among them is also sowing and reaping, Genesis 8:22.

Sowing and reaping, with the similitude of seed and harvest connected with them, are absolutely necessary in all human life. It goes unnoticed by us when this thing works in the world, as a complete automation, as a manifestation of God's complete care for people.

In this publication, we tell a few, opening things, so that we can really begin to understand what is included in the matter of sowing & reaping created by God in our midst.

The matter in itself is very broad, so that only the most important grounds of the matter will be explained here, and even then the matter publication will be long. In this way, a visitor to the website can really begin to understand what the whole thing entails.

My friend, you may think you think you know this matter, but still please go through this publication and get yourself, by God's grace, a wider and deeper view of how God has made the world work, in the only sensible way, perfectly. This way, my friend, in the future you yourself will know how to do the right thing in the matter and you can also tell others the correct way of doing the matter, they too will come to the right understanding of the matter. Be blessed my friend.

OPERATION OF SOWING AND REAPING

An example from agriculture, to find out the mechanism of sowing & reaping.

When a farmer sows a seed in the ground, the matter of getting the desired crop to be harvested is influenced by many different things, each of which affects the crop in many different ways and levels (e.g. rye as a crop if desired, not sowing barley or wheat seeds).

It is of the utmost importance to the farmer that the seed he sows in the ground is; 1. the right species, 2. the right variety, 3. the cultivated land is suitable for the seed, 4. the weather conditions are suitable for growth, 5. external factors do not affect the growth or abundance of the crop, etc.

A farmer knows the quality of his land and its weather conditions, etc., and how best to produce it. After these things, the farmer carefully chooses the seed so that the land produces the best crop to harvest.

When the specified seed has been sown in the ground and all the factors have been carried out so that the harvest from sowing would be as good as possible, the time for the harvest to be ready can bring many changing factors, what kind of harvest will be ready from sowing to cutting.

In addition to heavy rains and heat, you can also encounter a wildfire that takes part or all of the crop, leaving no crop to cut.

Pests can destroy part or all of the crop. An event, an accident, etc., can happen that destroys the crop, so that only a part of it remains for cutting, or the crop is completely destroyed.

Someone from the outside can, thoughtlessly or on purpose, destroy the farmer's sowing, leave the crop partially, or completely ready for harvest. In different ways, other than the seed of the desired crop can enter the farmland, in every part, or completely suppress the crop produced by the actual crop.

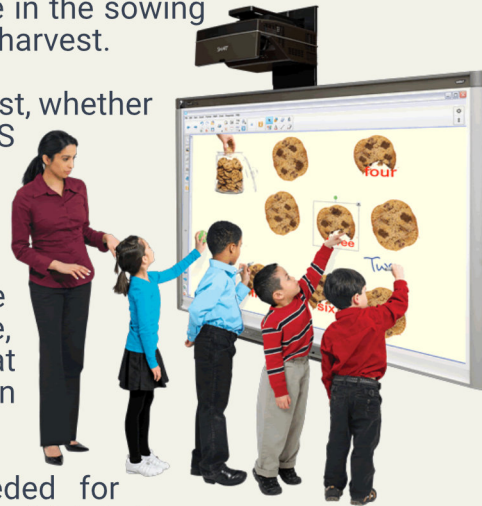

When all the things mentioned above work together, either good or bad, the farmer gets the crop he wants cut, well, moderately, scarcely, or not at all, in each case, in his own way.

All of the above is the basis of our life, the operating model, and how life in general works, so that we can generally live here on earth.

SOWING & REAPING PROPERLY UNDERSTOOD

How the world works, through sowing and reaping, the similitude of seed and harvest, is the basis of all life. Only and only, the sower of things can choose in the sowing what will grow from the seed to the harvest, to the harvest.

Thus, the sower is always responsible for the harvest, whether the harvest of the sowing is good. The harvest IS ALWAYS the same species as the seed sown. This matter, all of it, is completely lost from the secular society, likewise, a large part of the believers are also lost and operate with the world, only working in the cutting edge. Well, it may be that in life we "sow good things in our lives" and someone else, somehow, "sows a seed in our lives", > things that grow from our lives, suppressing the person's own sowing, partially or completely.

A good teacher "sows" a "good seed" in the students' lives, a good harvest will grow from their lives.

There are two elements that are always needed for everything, > sowing and reaping, that we do in our midst. In the same way, we can sow into our own lives and the lives of others, and we are always responsible for our sowing, that the seed we sow is good, that a good harvest grows from it. The type and quality of the seed always determines what kind of crop it will ripen for cutting, that's an absolute truth!

When a teacher teaches in a school, he "plants a seed" in the minds of the students. At that time, we "sow in another's field", from that, then the harvest will grow, according to the seed.

If we think about it, through another example, which was the example of the farmer, then let's think about the situation that we have a thirst and we want to satisfy it.

We go to the kitchen and take a glass into which we pour cold water from the tap (in Finland the water from the water supply network is drinkable) and quench our thirst by drinking the water. Or we go to the fridge and choose a drink to satisfy our thirst.

Someone else has "sown", prepared a network of water pipes, so that we can satisfy our thirst with fresh water.

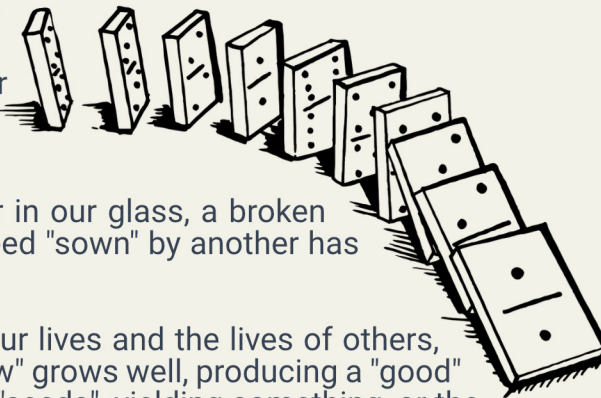

However, it can happen that the water supply network is broken, so there is no water there for us to drink, or impurities have gotten into the water that, for example, make us sick after drinking it.

Also, the fridge may have run out of drinks, ours, or someone else's forgot to get a drink there. Likewise, the drink in the fridge may have gone bad over time, or it may have been unfit to drink in the first place, for some reason, and after drinking it we get sick.

You can say that our life consists of countless sowing and reaping events. They are often chained together so that, for example, we can satisfy our thirst.

It is not possible to "reap the harvest", other than the "harvest from the sown seed".

If the water supply network does not bring us something to drink, someone else's "sowing" has won over our sowing for our thirst and he/she is responsible for not quenching our thirst.

Sometimes, the realization of things may require several different "sowings" for the thing to finally come true.

No matter how much we want to get water in our glass, a broken water pipe does not bring it, because the seed "sown" by another has suppressed our own sowing, defeating it.

The mechanism is that we can "sow" into our lives and the lives of others, and depending on the case, the "seed we sow" grows well, producing a "good" harvest, grows moderately, alongside other "seeds", yielding something, or the growth suppresses the growth of other seeds below, without producing a crop.

The fact that we sow a good "seed" removes from us the responsibility that the harvest could be a bad harvest, in the harvest. Therefore, we should not do bad deeds in our lives, in our own lives or in the lives of others, because their quality remains, until the harvest of their harvest, in which case we are guilty if we have sown "bad seed"!

THE LIFE OF THE WORLD, RISES FROM SATAN'S LIE

Our enemy, Satan wants everyone, if possible, to end up in the eternal torment of hell at the end of their lives. Because of this, Satan has caused the secular, disconnected from God, a great, great multitude of people, and sadly, also a large part of the believers, to live only by thinking of things "by cutting" and thus, living in a lie.

When we don't know that things happen always and in everything, that first a seed is "sown" and its growth follows on a case-by-case basis, I saw it ready for the "cutting" of the thing "according to its kind", if nothing prevents the thing from being completed.

In everything that happens, there are always two separate events through which things happen in our midst.

Among other things, you have to know the "sower" so that you can know the culprit when a bad harvest grows out of life.

Things may seem that the person concerned would be guilty of things that have grown into a cut through this person.

As it has already become clear, the "sower" of things is always responsible for his "sowing" and the person in whose life evil has been sown is guilty, only partly guilty, or completely innocent, depending on the situation, when evil has been sown in our midst, in what way is the person involved accessory.

The judiciary and the legislation, and the whole secular society operate in our midst, only with reaping and this thing is based on a lie, as it has been said above, that God has made the world work in everything through sowing and reaping, the seed and the harvest to be of the same kind.

Realizing that the world is in its entire operation, in life, in a lie, we know, that is largely due to it, the many kinds of wrongs and abuses of the world, etc.

God wants Finland, as a nation, through what is about to happen, by turning to God, to find living in God's will, understanding sowing and reaping and living it out in its midst.

In our time, it is of paramount importance that we KNOW the TRUTH and not what secular media sources tell us.

FINLAND'S NEW PROSPECTS

The change, after Finland turned to serve God, is really big, what is our life now, as a society. When we understand that Satan has robbed us of the understanding of reality, how the world works and how much destruction it has constantly brought to our midst, from generation to generation, we no longer want to continue on the same path.

When the truth is found in the case of Finland, the matter will penetrate the whole society and the matter will really radically affect our society and the matter will also affect the lives of other countries and peoples, when we are in the work of calling our people, many to come to God.

Just as the tsunami takes everything that was before with it, Finland will be renewed in the same way, in its soon-to-be conversion, the old, bad things will be left behind.

I could go on and on, there is a lot of good that will happen in Finland through this matter, but here we will focus our thinking on three things in the pages of the Bible.

LIFE CHOICES AFFECT ETERNITY

In a secular society, there is no understanding that the choices we make in life affect eternity.

And, only some believers understand, the choices we make in life, give us our degree of glory for eternity.

9 OR DO YOU NOT KNOW THAT WRONGDOERS WILL NOT INHERIT THE KINGDOM OF GOD? DO NOT BE DECEIVED: NEITHER THE SEXUALLY IMMORAL NOR IDOLATERS NOR ADULTERERS NOR MEN WHO HAVE SEX WITH MEN

10 NOR THIEVES NOR THE GREEDY NOR DRUNKARDS NOR SLANDERERS NOR SWINDLERS WILL INHERIT THE KINGDOM OF GOD.

11 AND THAT IS WHAT SOME OF YOU WERE. BUT YOU WERE WASHED, YOU WERE SANCTIFIED, YOU WERE JUSTIFIED IN THE NAME OF THE LORD JESUS CHRIST AND BY THE SPIRIT OF OUR GOD.

12 "I HAVE THE RIGHT TO DO ANYTHING," YOU SAY—BUT NOT EVERYTHING IS BENEFICIAL. "I HAVE THE RIGHT TO DO ANYTHING"—BUT I WILL NOT BE MASTERED BY ANYTHING.

13 YOU SAY, "FOOD FOR THE STOMACH AND THE STOMACH FOR FOOD, AND GOD WILL DESTROY THEM BOTH." THE BODY, HOWEVER, IS NOT MEANT FOR SEXUAL IMMORALITY BUT FOR THE LORD, AND THE LORD FOR THE BODY.

1. CORINTHIANS 6:9-13

The Bible tells us, through Paul, that it is good for us to guard ourselves that we do not do things through which we accumulate burning for eternity, Bema, the judgment of works.

Even if something is "permissible" for us as believers, it can still cause negative things in the life of an "outsider" when they find out about it and that thing would not be relevant to any believer.

In Paul's 1 Corinthians 6:12, we are told that, even if things are permissible, they are not necessarily good for us and therefore also for others.

We don't want the devil to make us do things that will accumulate bad things for us forever and also cause our neighbors to fall badly into doing the wrong thing?!

Paul, in yet another place in the Bible, 1 Corinthians 3:15 sharpens, fin. English us to do good in our lives, to gather lasting things for eternity, for others to also be able to participate in our good works, for their lives to be enriched by them.

The Bible gives us a very powerful thing when it tells us about it, that we can "sow" into the lives of others.

11 FOR NO ONE CAN LAY ANY FOUNDATION OTHER THAN THE ONE ALREADY LAID, WHICH IS JESUS CHRIST.

12 IF ANYONE BUILDS ON THIS FOUNDATION USING GOLD, SILVER, COSTLY STONES, WOOD, HAY OR STRAW,

13 THEIR WORK WILL BE SHOWN FOR WHAT IT IS, BECAUSE THE DAY WILL BRING IT TO LIGHT. IT WILL BE REVEALED WITH FIRE, AND THE FIRE WILL TEST THE QUALITY OF EACH PERSON'S WORK.

14 IF WHAT HAS BEEN BUILT SURVIVES, THE BUILDER WILL RECEIVE A REWARD.

15 IF IT IS BURNED UP, THE BUILDER WILL SUFFER LOSS BUT YET WILL BE SAVED—EVEN THOUGH ONLY AS ONE ESCAPING THROUGH THE FLAMES.

1. CORINTHIANS 3:11-15

Jesus says in the Gospel of Luke 17:2 that those who cause their neighbors to stray from the truth would be better off drowned because of their actions.

1 JESUS SAID TO HIS DISCIPLES: "THINGS THAT CAUSE PEOPLE TO STUMBLE ARE BOUND TO COME, BUT WOE TO ANYONE THROUGH WHOM THEY COME.

2 IT WOULD BE BETTER FOR THEM TO BE THROWN INTO THE SEA WITH A MILLSTONE TIED AROUND THEIR NECK THAN TO CAUSE ONE OF THESE LITTLE ONES TO STUMBLE.

3 SO WATCH YOURSELVES.

GOSPEL OF LUKE 17:1-3

Somewhere there is a story that it would be better if those who make others fall should not even have been born here, so great is the horror of the torment of hell for those who have caused others to also end up in the torment of hell.

In this case, the visitor is not to be blamed in any way, but still, these things must also be brought out, so that the whole matter of this publication would have the right position in the life of the visitor to the website, after which God's Holy Spirit can start working on the matter more, for each person personally, to open the matter to him perfectly as appropriate.

It is important for us to know the matter of sowing and reaping, that our lives bring glory to God, for eternity.

Brother J. also feels small about the matter of this publication, but he knows that God, through his Holy Spirit, will continue the matter, that visitors to the website will receive the information God intended for them.

Brother J. is completely dependent on the help of God's Holy Spirit to be able to bring things to light.

Next, the realization of the invitation in the matter is, the publication page **Finland network**.

There the matter continues, again from a new point of view, towards Finland, after the conversion that is about to happen to God, what God has planned.

Thank you.

THE WORLD IS IGNORANT OF THE REALITY OF SOWING AND REAPING AND THAT IS ALSO WHY SATAN IS RIOTING IN OUR MIDST.
