THE CHILDREN AND YOUTH OF FINLAND, SOVEREIGNLY AT GOD'S DISPOSAL

IT IS AN UNDENIABLE FACT THAT THE CHILDREN AND YOUTH OF FINLAND COME INTO CONTACT WITH GOD. ALSO THE REST OF THE FAMILY TO COME TO FAITH, THUS FULFILLING FINLAND'S VOCATION.

CHILDREN & YOUNG PEOPLE

FINNISH CHILDREN AND YOUNG PEOPLE, AT GOD'S DISPOSAL

The revolution of God, of Finland, the turning of our people to serve God alone, is the greatest, supernatural act of God, in the midst of our people, a matter that does not go unnoticed in other nations and countries. The act of God, Finland, will shake the whole world.

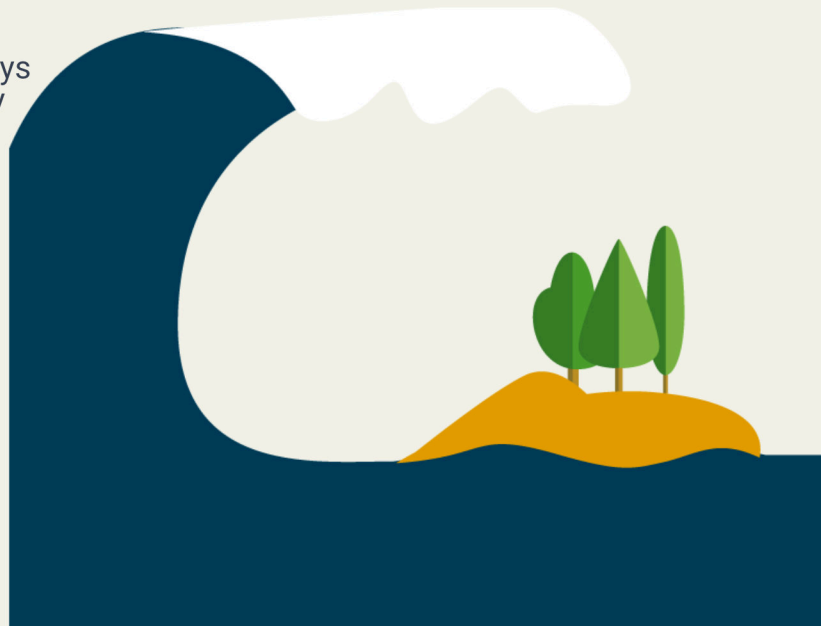

After God told Brother J, recently, already twenty years ago, about the first things about Finland's national vocation, God's revelation about it will be much more complete, in the future.

In the spring winter of 2019, God's story about Finland's future, about turning to God, got "meat on the bones", as God told, about Finland's change, the future, "God's reverse tsunami". I do great things, in all the Holiness of God, with Glory.

What Veli J. has drawn attention to, about the use of the term tsunami in Finland, the term "surfaced", in the future the term will be frequently displayed, in connection with the election victory of the Fundamental Finns in the spring parliamentary elections of 2019, after they called their election victory a "tsunami victory".

A tsunami breaks and destroys everything that is in the way of its landfall, leaving behind a completely destroyed landscape, from which the last results of human work, what has been done to secure people's lives, etc. have been removed.

This is also true in Finland, many people have first-hand experiences, when many Finns were present in the Tsunami of Southeast Asia, 2004, on Boxing Day, and some Finns also perished in the grip of the tsunami at that time.

God's future revolution in Finland is really huge, like the magnitude of the power of a tsunami.

When we know how a tsunami breaks and destroys everything that comes in front of it, the reality of the matter gives us a really good "picture", how the coming conversion of Finland to serve God, with "God's reverse tsunami", repairs and restores, at high speed, the nation and state of Finland all of them, completely whole and healthy, our people, in such a moment turn to do the right thing, the Word written in the Bible to come true, billions to come to God.

The reality of the world, and especially of Finland, in these end times is that we are "going" deeper and deeper into the deceitful chains of sinful pleasures. Every thing is Satan's special will, so that the irrevocable prophetic Word of the Bible could not be fulfilled, in the case of the Finnish people and Satan, so that the eternal torment of hell could be avoided.

Who has followed the way of Finland, the passage of our time, has been able to see how our country and our people have been led for decades, by our own and outsiders, constantly, always only increasing, away from God and His best things, when our people are separated from God, that they do not have seen and understood what is happening in our midst.

As, we may know, the Bible, in all things, accurately comes true, in all things. The fact is that also for Finland, the vocation of our people will be fully fulfilled, in God's will!

When, it's time for God to change the way of Finland, then God will repair, change and restore the whole of Finland with really great power, at a fast pace. It is a sovereign, supernatural act of God for our people.

God is taking Finland, almost to destruction, to be able to save it and bring it to use, many will find God's connection.

CHILDREN AND YOUNG PEOPLE, START THE REVIVAL OF FINLAND

How, this, "God's reverse tsunami", appears in the midst of the current fall and sinful life of the Finnish nation and country, correcting and wholeness of our nation and our country as a whole, is truly miraculous, God's sovereign intervention for our nation.

The state of the matter tells how we move in God's great affairs, when God sovereignly changes the destruction of Finland, our people will serve the Living God in the future. It's humanly impossible, but it does happen.

The coming of Finnish children and young people to the communion of God enables Finland to quickly turn to serve God.

After God told about the reverse tsunami, it became clear how Finland, with God's work, would straighten itself out to the truth to serve God.

- 1 I LOOKED UP AGAIN, AND THERE BEFORE ME WERE FOUR CHARIOTS COMING OUT FROM BETWEEN TWO MOUNTAINS—MOUNTAINS OF BRONZE.
- 2 THE FIRST CHARIOT HAD RED HORSES, THE SECOND BLACK,
- 3 THE THIRD WHITE, AND THE FOURTH DAPPLED—ALL OF THEM POWERFUL.
- 4 I ASKED THE ANGEL WHO WAS SPEAKING TO ME, "WHAT ARE THESE, MY LORD?"
- 5 THE ANGEL ANSWERED ME, "THESE ARE THE FOUR SPIRITS OF HEAVEN, GOING OUT FROM STANDING IN THE PRESENCE OF THE LORD OF THE WHOLE WORLD.
- 6 THE ONE WITH THE BLACK HORSES IS GOING TOWARD THE NORTH COUNTRY, THE ONE WITH THE WHITE HORSES TOWARD THE WEST, AND THE ONE WITH THE DAPPLED HORSES TOWARD THE SOUTH."
- 7 WHEN THE POWERFUL HORSES WENT OUT, THEY WERE STRAINING TO GO THROUGHOUT THE EARTH. AND HE SAID, "GO THROUGHOUT THE EARTH!" SO THEY WENT THROUGHOUT THE EARTH.
- 8 THEN HE CALLED TO ME, "LOOK, THOSE GOING TOWARD THE NORTH COUNTRY HAVE GIVEN MY SPIRIT REST IN THE LAND OF THE NORTH."

THE BOOK OF ZECHARIAH 6:1-8

It is no longer known who they are, whom God will use, in that future correction of Finland, the people of Finland will be filled with the Word of the Bible, for the eternal good of many people, for them to be in heaven for eternity, with God.

When God told Brother J, Zechariah 6:8, the place of the Bible, receiving the beginning of its realization, God's Holy Spirit, in His Love, taking over the children of Finland, from infancy to young adults, he understood how this thing will, soon, affect all of Finland completely, to come into contact with God and as a nation we begin to fulfill the purpose of our national existence, by taking the gospel, the glad tidings, to the whole world.

Since God has given Brother J a good imagination, he can imagine in his mind how things can progress, regarding the fulfillment of the aforementioned Zechariah 6:8, in Finnish families in Finland and around the world.

What, the Holy Spirit of God has made it clear, when the children and youth of Finland come into contact with God, in the fulfillment of the passage of Zechariah 6:8 Bible, they are not taught Christianity by any believer, but these are, under the direct guidance and teaching of the Holy Spirit, right from the beginning.

This way, our children and young people are immediately ready to face their own families and e.g. his school, as well as the opposition that arises from the darkness, operated by Satan, defeats them and places his parents and teachers, as well as other people in his life circle, in the spotlight of the truth.

Also their seeing their own sinfulness and thus the children of Finland, can also these neighbors, lead to the connection with God. Our society, so quickly with the power to heal and change, to honor God in everything.

If we think of a church functioning in our time, completely in accordance with God's will, then e.g. words of knowledge, healing the sick, prophesying, separating spirits, healthy teaching and living according to the Bible should work there.

God gives, to the children and young people of Finnish families in Finland, as well as to the children and young people of Finnish families in the world, when they come to God, at the beginning of Finland's coming revival, all the Biblical gifts of grace to work, to be ready to win for God, their family members and the people in the rest of their life circle, in all God's power and in love.

Now, almost destroyed Finland, come free from your chains, to God's work.

IT COULD HAPPEN IN THE FOLLOWING WAY

In the evening, Finland goes to sleep normally and at night, God's Holy Spirit, in the great Love of God, meets the children and youth of Finland, so that they can come into contact with God.

There will come a moment when the children of Finland, all of them, will say that they have come into contact with God, it will revolutionize the whole of Finland.

In Finnish families and in Finnish families in the world, as well as in adoptive families where a Finnish child has been adopted, the children, as soon as they are resurrected, begin to tell how God touched them in His love and now they want to have faith in God and do His will in their lives.

In that situation, in every family with children in Finland, the parents think they are the only family that God has touched with His Love.

The children tell how the restlessness and constant search they had before has now been fulfilled when they have come into contact with God.

Children ask their parents and possibly other people living at home to forgive them for their bad deeds in their past lives.

Some parents go to work and children from other families first go to school or daycare.

At the parents' workplace, the nocturnal issue is revealed to affect every Finnish family with children, when the parents start telling each other what happened to them in the morning.

Finnish children who already believe in God, are very happy when the children of other Finnish families come to God.

Of course, a fraction of Finnish families are already believing families, where the children are also believers. In the case of the children of these families, God has then shown in a dream what has happened to other children in Finland at night, and thus they are immediately aware of the matter with their parents and know how, in the morning, when meeting other children at school or kindergarten, to relate to their new matter correctly, sharing their joy and tell how they have seen in a dream that all the children and youth of Finland are now connected to God.

A few of the school teachers can also be believers and have thus been able to wait for Finland's future change, and God has also been able to tell them that their expectations have now been fulfilled.

Right at the beginning of the school day, the students, now believers, understand that schoolwork gets the best start when it starts with morning prayer and thanks to God.

School meals are no exception to the fact that the food is blessed by the children before eating.

Some child may have been injured in school sports during the day, and then the whole class gathers around this injured person, praying and proclaiming in faith, the healing of this injured person, the name of Jesus and the atonement through the shed blood.

Jos on vaikka katkennut jalka, niin se, Jumalan luovalla ihmeellä paranee hetkessä terveeksi.

At the end of the school day, a large number of children return home on buses and want to hear music in the car other than evil, at the same time telling how they found God's connection the night before. As an exception, there may also be drivers whose buses already have a Christian program.

For those who believe in God, even the blessing of food is something we show that God takes care of everything.

Some of the children also go to the shops after school to do business with their parents, even to buy a snack for the child, before the parents come home for dinner. There, too, the children want the worldly clatter of shops to be out of their ears and tell how they have been in touch with God at night and now have faith in God. The reality of what happened at night quickly reaches the whole of Finland.

Finnish media reports the sensational news that God has changed the lives of Finnish children to serve God.

After the children get home, they immediately want to hear music that praises God, and some of them, even when searching for it on the Internet, come across news broadcasts that tell about the sovereign act of God that has befallen Finland, where the children and youth of Finland, all of them, have come into contact with God.

The news tells about the sovereign act of God that has befallen every family in Finland, in which all the children and young people of Finland have become obedient to God. news agencies have been able to go through, it is becoming clearer that this is the best thing for Finland.

Some people will come forward who will say that it should be, it has already been said in the Bible, this is what happens in Finnish families, their children and young people, first come to God. When the matter spreads to the rest of the world, information will also come from there, that what has happened in Finnish families is the same as what has happened in Finland, in its families. Everyone can continue the matter in their own mind, what else will happen in the future in Finland, Finland when God has encountered it, when its children and young people have come into contact with God.

WHILE FINLAND LIVES FOR GOD, KNOCK OUT SATAN

What, God is bringing our time to Finland, it can be fulfilled according to the Word of the Bible, the matter contains a lot of supernatural things. It's just like that because, what the Bible contains about Finland, its happening requires God's supernatural things to happen in the middle of Finland.

After God told Brother J, in the love of God's Holy Spirit to take over, the children and young people of Finland, as a partial fulfillment of the Word of the Bible, in the case of Finland, he came to an understanding of Finland's rapid change.

What, other things, God is bringing to Finland, are also very supernatural things.

These things are completely from God, and the fact that Brother J. has received them from God is completely, God's great grace, that they now become public, on this website.

Someone, if they are reading e.g. the matter of this page and is not filled with God's Holy Spirit, one can think that the matter of the page is only a human matter, without the reality of God in the matter. It's really not like that, but it's a secret from many people.

The thing is most unfortunate, because then a person is doing actions against God's will, against his own best interests.

It cannot be overemphasized, now and in the future, that it is necessary for the believer to be constantly filled with God's Holy Spirit, overflowing.

Also, the matters of continuation, the realization of Finland's national vocation, are very, very supernatural, so that their proper understanding and assimilation also requires the continuous overflowing fullness of God's Holy Spirit.

The concept of pre-fulfillment and actual fulfillment can be found in the Bible. Pre-fulfillment is only a small matter compared to the actual fulfillment of the matter.

Dear visitor of this website, keep this thing in mind when you move on to continue, to read more, about the things that God, very great, has reserved for Finland, as numerous pre-fulfillments, actual fulfillments, are being fulfilled for Finland, really powerfully, in full God's will.

broken heart of
Finns is being
